## We care about you and your family's health

This directory will help you find providers (like doctors, specialists, pharmacies and hospitals) in your area who are in the UnitedHealthcare network. We have a relationship with these providers. UnitedHealthcare members can visit in-network providers by calling the provider and making an appointment. You don't need to call us first before seeing these providers.

A provider who is not in our network is an out-of-network provider. If your child goes to an out-of-network provider, UnitedHealthcare will usually not pay for the care you get. If you cannot find a provider that meets your child's needs, please call Member Services at **1-800-992-9940** for help finding one.

## Nos preocupamos por su salud y la de su familia

Este directorio le ayudará a encontrar proveedores (como médicos, especialistas, farmacias y hospitales) ubicados en su área y que se encuentren en la red de UnitedHealthcare. Tenemos un vínculo con estos proveedores. Los miembros de UnitedHealthcare pueden visitar a los proveedores que se encuentren en la red llamando al proveedor para concertar una cita. No necesita llamarnos antes de ver a estos proveedores.

Un proveedor que no se encuentre en nuestra red se considera un proveedor fuera de la red. Si su hijo visita a un proveedor fuera de la red, por lo general, UnitedHealthcare no pagará la atención que reciba. Si no puede encontrar un proveedor que logre satisfacer las necesidades de su hijo, llame a Servicios para Miembros al **1-800-992-9940** para obtener ayuda para encontrar uno.
